Policy on Preventing Hidden Labour Exploitation

Workforce Staffing Ltd has a zero tolerance approach to modern slavery and is committed to acting ethically and with integrity and transparency in all of its business dealings and relationships and to implementing and enforcing effective systems and controls to ensure that modern slavery and human trafficking are not taking place anywhere within its own business or in any of its supply chains.

Hidden labour exploitation is exploitation of job applicants and workers by third party individuals or gangs other than the employer or labour provider including rogue individuals working within these businesses but without the knowledge of management. It includes forced labour and human trafficking for labour exploitation; payment for work-finding services and work-related exploitation such as forced use of accommodation. It is understood that it is often well hidden by the perpetrators with victims, if they perceive of themselves as such, reluctant to come forward.
